ADM. & FORESTS BRANCH.

Respected Sir,

We the undersigned, Adikarnatak people, of Dhanayakanpura, Shanubhoganahalli, Anmanahalli, Kutagal and Kyasapura, Villages Closepet Taluk, Submissively beg to submit the following representations for your kind consideration and favourable orders:-

We beg to submit that the lands and the houses in Anmanahalli Village, and only the lands in Kutagal, Dhanayakanapura, Kyasapura, and Shanubhoganahalli villages in Kutagal Hobli, Closepet Taluk, will come under the submerged areas of the Kanva Project and most of our people in these five villages are living in thatched sheds. Besides, we the Adikarnatak people who come under the submerged area of the Kanva Project, have not been provided with any fecilities for living, although the other ryots are provided with all fecilities in the Makali State Forest. Hence we pray for the grant of 700 acres of land and a loan of 10,000. for the purpose of colonisation.

The best suitable area for the purpose of colonisation is Doddamannugudde State Forest closely situated to the Closepet town for the development of the industry and agriculture.

This prayer for grant of lands for the purpose of colonisation in Doddamannugudde State Forest has already been made to the (1) MINISTER OF LOCAL SELF GOVERNMENT AND PUBLIC HEALTH (2) The Revenue Commissioner in Mysore, Bangalore (3) Chief Conservator of Forests (4) The Deputy Commissioner, Bangalore District. The Minister was also pleased to assure us to grant the lands

(P.T.O.)

lands for the purpose of colonisation.

Conferences at Dhanayakanapura under the presidentship of Amiladar, Closepet Taluk and also The Special Officer for the Depressed Classes, Bangalore District, were held on 25th January 1943 and 22nd July, 1943 respectively and resolutions passed in this respect have been submitted to Government for favourable consideration and early orders.

Under these circumstances, we humbly approach your Honour with our prayers for the grant of about 700 acres of lands in Doddamannugudde State Forest for the purpose of colonisation.

For which act of generosity and benevolent help, we remain ever grateful and cherish this boon of yours for generations.

We beg to remain,

We, the undersigned Adikarnataka people of Danayakanpura, Shanboganahalli, Anamanahally, Kutagal and Kyasapura Villages in Closepet taluk submissively beg to submit the following representations for your kind - consideration and favourable orders.

We beg to submit that the lands and the houses in Anamanahally village and only the lands in Kutagal, Danayakanapura, Kyasapura and Shanboganahally villages in Kutagal hobli, Closepet taluk will come under the submerged areas of the Kanva Project and most of our people in these five villages are landless people living in thatched sheds. Besides, we the Adikarnataka people who are living in the area which will come under the submerged area of the Kanva Project have not been provided with any facilities for living, although the other ryots are provided with all facilities in the Makali State Forest. Hence, we pray for the grant of 700 acres of land and a loan of Rs. 10,000/- for the purposes of - colonisation.

The best suitable area for the purpose of colonisation is Doddamannagudda State Forest closely situated to the Closepet town for the development of industry and Agriculture.

This prayer for grant of lands for the purpose of colonisation in Doddamannagudda State Forest has already been made to the (1) Minister for Local Self

p.t.o.

Government and Public Health (2) The Revenue Commissioner in Mysore, Bangalore (3) The Chief Conservator of Forests in Mysore, Bangalore and (4) The Deputy Commissioner, Bangalore District. The Minister when he was in charge of Forests was also pleased to assure us to grant the lands for the purpose of colonisation.

Conferences at Danayakanapura under the Presidentship of the Amildar, Closepet taluk and also the Special Officer for the Depressed Classes, Bangalore District were held on 25th January 1943 and 2nd July 1943 respectively and resolutions passed in this respect have been submitted to Government for favourable consideration and early orders.

Under these circumstances, we humbly approach your honour with our prayer for the grant of about 700 acres of lands in Doddamanagudde State Forest for the purposes of colonisation.

For which act of generosity and benevolent help, we remain ever grateful and cherish this boon of yours for generations.

We beg to remain,

Respected Sir,

General Department, Bangalore.

Sir,

RE:- Grant of land in Doddamannuguddde State Forest for colonization.

With reference to your letter No.A.F.1109/Ft. dated the 31st August 1943, forwarding for report the petition addressed to the Dewan by the Adikarnatakas of Danayakanpur, Shanabhoganahalli, Anamanahalli, Kutagal and Kyasapura villages of Closepet Taluk praying for the grant of 700 acres of land in Doddamannuguddde State Forest, I have the honour to state that a copy of similar petition addressed by the same people to the Minister for Local Self Government has also been referred to me for report by the Chief Secretary in his memo No.R.1091 dated the 26th August 1943. The Chief Engineer of Mysore as well as the Deputy Commissioner, Bangalore have also addressed me regarding the possibility of surrendering lands out of the said State Forest for being granted to the expropriated ryots under the Kanva Project. In view of this ceasless demand for lands both from the landless people and the expropriated ryots of the villages referred to above and in consideration of the fact that a large extent of the Doddamannuguddde forest is now a treeless tract, the afforestation of which would involve much time and expense, I have considered it desirable to disafforest the northern half of the said forest and place it at the disposal of the Revenue Department for distribution amongst the landless as well as the expropriated ryots of the several villages in the manner he thinks best. I request that this proposal

p.t.o.

may be approved and orders of Government communicated to me early A rough sketch of the area to be disafforested is enclosed. Action will be taken after the receipt of orders to redemarcate the remaining forest area at the affected extremity and to submit draft notification relating to areas surrendered and those retained.

The petition is herewith retransmitted.

I have the honour to be,
Sir
Your most obedient servant,

Chief Conservator of Forests.
